

[Timetable] 14th International Symposium on Purine and Pyrimidine Metabolism in Man, PP11

	Day 1 (Feb. 18)	Day 2 (Feb. 19)	Day 3 (Feb. 20)
7:00		7:00~ Registration	7:00~ Registration
8:00		8:00~9:30 Session 1 「Role of uric acid in the pathogenesis of cardiovascular and renal diseases」 Chair: Ichiro Hisatome Miguel A. Lanaspá Venue: Nishiki	8:00~10:00 Session 5 「Purines/Pyrimidines and Cancer」 Chair: Takanori Ueda G.J. Peters Venue: Nishiki
9:00		9:30~9:50 Break	
10:00		9:50~11:50 Session 2 「Clinical topics of gout and hyperuricemia」 Chair: Hisashi Yamanaka Shih-Yang Chen Venue: Nishiki	10:00~10:20 Break
11:00			10:20~11:50 Session 6 「Protein Structure and Catalytic Mechanism」 Chair: Ken Okamoto Staffan Eriksson Venue: Nishiki
12:00		12:00~13:00 Luncheon Seminar 1 Chair: Iwao Ohno Presenter: Ichiro Hisatome Co-sponsor: MSD Venue: Nishiki	12:00~13:00 Luncheon Seminar 2 Chair: Hisashi Yamanaka Presenter: Michael Becker Co-sponsor: Teijin Pharma Ltd. Venue: Nishiki
13:00		13:10~14:40 Session 3 「Association between genomic variation and urate metabolism」 Chair: Naoyuki Kamatani Christian Gieger Venue: Nishiki	13:10~15:35 Session 7 「Inborn Errors of metabolism / Molecular Mechanisms of Disease」 Chair: Mitsuo Itakura Vanna Micheli Anne Simmonds' memorial lecture (by Prof. Vanna Micheli)
14:00	13:30~18:30 Registration	14:40~15:40 Poster Session Venue: Hana	
15:00	14:50~15:00 Opening Remarks	15:00~17:00 Joint Symposium 「Current therapy for gout and hyperuricemia in the world」 Chair: Naoyuki Kamatani Michael Becker Venue: Ohgi	15:35~16:35 Poster Session Venue: Hana
16:00		15:40~17:10 Session 4 「Recent Advances in Purine/Pyrimidine Enzyme Regulation Enzyme and Regulation of Metabolism」 Chair: Takayuki Morisaki Ryszard T Smolenski Venue: Nishiki	16:35~18:35 Session 8 「Transport of Purine and Pyrimidine」 Chair: Hiroyuki Sakurai Sanjay K. Nigam Venue: Nishiki
17:00			
18:00	17:30~19:30 Welcom Party Venue: Nishiki		
19:00			18:40~18:50 Closing Remarks

*Day 4, February 21 (Mon), 2011 is for Half-day Tokyo tour.
